PANTZER TO PLANT TREE
FOR ARBOR DAY AT UNIVERSITY

MISSOULA--

University of Montana President Robert T. Pantzer will keynote an Arbor Day observance at 3 p.m. April 28 by planting a tree on the Missoula campus.

The Campus Development Committee is currently selecting a location for the six-foot Engelmann Spruce, which is being provided by the regional office of the Burlington Northern Railroad.

The tree, selected from a B.N. tree farm, will mature at 150 feet, according to John Willard, B.N. regional public information manager.

Participating in the ceremony besides Pantzer will be Willard, representatives of the Associated Students of UM and the UM School of Forestry, and Richard Roth, area sales manager for the marketing division of B.N.
